Dear Church Family,
"We want to take this opportunity to thank everyone for your support in helping send Holli to South Africa. Because of all the prayers and donations, Holli was able to reach her goal and also help support other team members who have come up short. We are so blessed to be a part of this loving and wonderful church family. Please continue to pray for Holli and the entire Campus Outreach Team in Johannesburg. They are all excited and ready to share Jesus Christ with the college students there. If you would like to keep up with Holli's experiences there, you can log onto her blog at www.holli almond.blogspot.com. We love each and everyone of you."

LIKE FATHER, LIKE CHILD

As we celebrate Father's Day, we likely see traits in our dads (or other father figures) that we hope to be known for ourselves: integrity, gentleness, a great sense of humor, a love of learning, a humble spirit. Amy Grant's song "Father's Eyes" tells of a young girl who wants nothing more than for others to recognize her father - and her heavenly Father - in her. "When people look inside my life, I want to hear them say, "She's got her father's eyes." What characteristics of God your Father are reflected in your eyes, heart and life?

A minister waited in line to have his car filled with gas just before a long holiday weekend. The attendant worked quickly, but there were many cars ahead of him. Finally, the attendant motioned him toward a vacant pump. "Reverend," said the young man, "I'm so sorry about the delay. It seems as if everyone waits until the last minute to get ready for a long trip." The minister chuckled, "I know what you mean. It's the same in my business."

There was a very gracious lady who was mailing an old family Bible to her brother in another part of the country. "Is there anything breakable in here?" asked the postal clerk. "Only the Ten Commandments." answered the lady.
